Catalog 49

Welcome to STARBOLT ENGINE SUPPLIES,

As you can see, this is the 49th year of the Starbolt catalog. We have enjoyed helping with your engine projects over the years, and hope to continue to do so, for many years to come. We have added a few new items this year and have also had to remove a few in the new catalog. Please feel free to call and check on a part that you need and do not see in the new catalog. If we cannot supply the part, we will be happy to give you the name and number of someone who might be able to help.

Each item that is listed in the catalog has a separate Starbolt catalog number. To help us get your order shipped as quickly as possible, please include the catalog number on your order blank.

Due to circumstances beyond our control, all parts are not in stock at all times. We will tell you if the part you ordered is out of stock and give you a tentative availability date. You will not be charged for your order until it is shipped.

This catalog is divided into three sections, as follows:

Gasoline Engine Parts -----	Pages 1-23
General Parts and Supplies -----	Pages 24-32
Scale Model Engine Supplies -----	Page 33

We accept cash, personal checks, money orders, Visa, Mastercard and Discover in payment for all orders by mail or by phone. See order blank, in center of this catalog for required credit card information.

SHIPPING

Shipping and handling charges are EXTRA on all orders. Minimum in the U.S. is \$8.00 for literature and decals, \$14.00 for all others. Allow extra for heavy or oversized items such as mufflers, crankguards and some books. Canadian and overseas customers should include at least 50% more than the above minimums. Please send enough, any excess will be refunded.

Canadian and overseas orders are payable by Visa, Mastercard, Discover, check or money order. CHECKS AND MONEY ORDERS MUST BE IN U.S. FUNDS AND DRAWN ON A U.S. BANK. Canadian postal money orders are also accepted. Note to our overseas customers. All orders are shipped Air Mail via United States Postal Service.

RETURNS

Our products are guaranteed to satisfy you. If your purchase is not what you expected, it can be returned for a refund or exchange. PLEASE CALL BEFORE RETURNING MERCHANDISE. ALL RETURNS MUST BE MADE WITHIN 30 DAYS OF THE PURCHASE DATE FOR FULL REFUND ON PARTS.

The costs of the goods and services we offer are, for the most part, beyond our control. We, therefore, reserve the right to change prices without notice.

PLEASE CALL FOR PRICE & AVAILABILITY ON ALL CAST IRON AND CAST BRASS

BUSINESS HOURS

We are a mail order business. Our hours are 8:30 AM - 5:00 PM, Eastern time, **Monday thru Friday**, 301-874-2821.

Thank You

BILL and LINDA STARKEY
